Subject: *Product Portfolio Overview*

Dear Sir or Madam,

CedarEx Sports Global is an **OEM export manufacturing partner** specializing in the production and supply of high-quality sports goods for clubs, academies, distributors, and retailers worldwide. We focus on delivering consistent quality, reliable production, and export-ready solutions tailored to our clients' requirements.

Our product range includes:

Sports Balls:

Footballs, indoor balls, handballs, rugby balls, volleyballs, basketballs, beach soccer balls, mini balls, and medicine balls — all available in various specifications and customization options.

Sportswear & Kits:

Sports kits, jerseys, and complete sports uniforms designed for performance, comfort, and team identity, with full customization available.

Racket Sports:

Padel rackets and pickleball rackets manufactured with durability and precision in mind.

Fitness & Training Equipment:

Gym mats and crossfit equipment suitable for commercial gyms, training facilities, and personal use.

MMA & Combat Sports Equipment:

A complete range of MMA equipment designed for training and professional use.

Cricket Equipment:

High-quality cricket bats crafted to meet professional and recreational standards.
